SEASIDE LOCALE

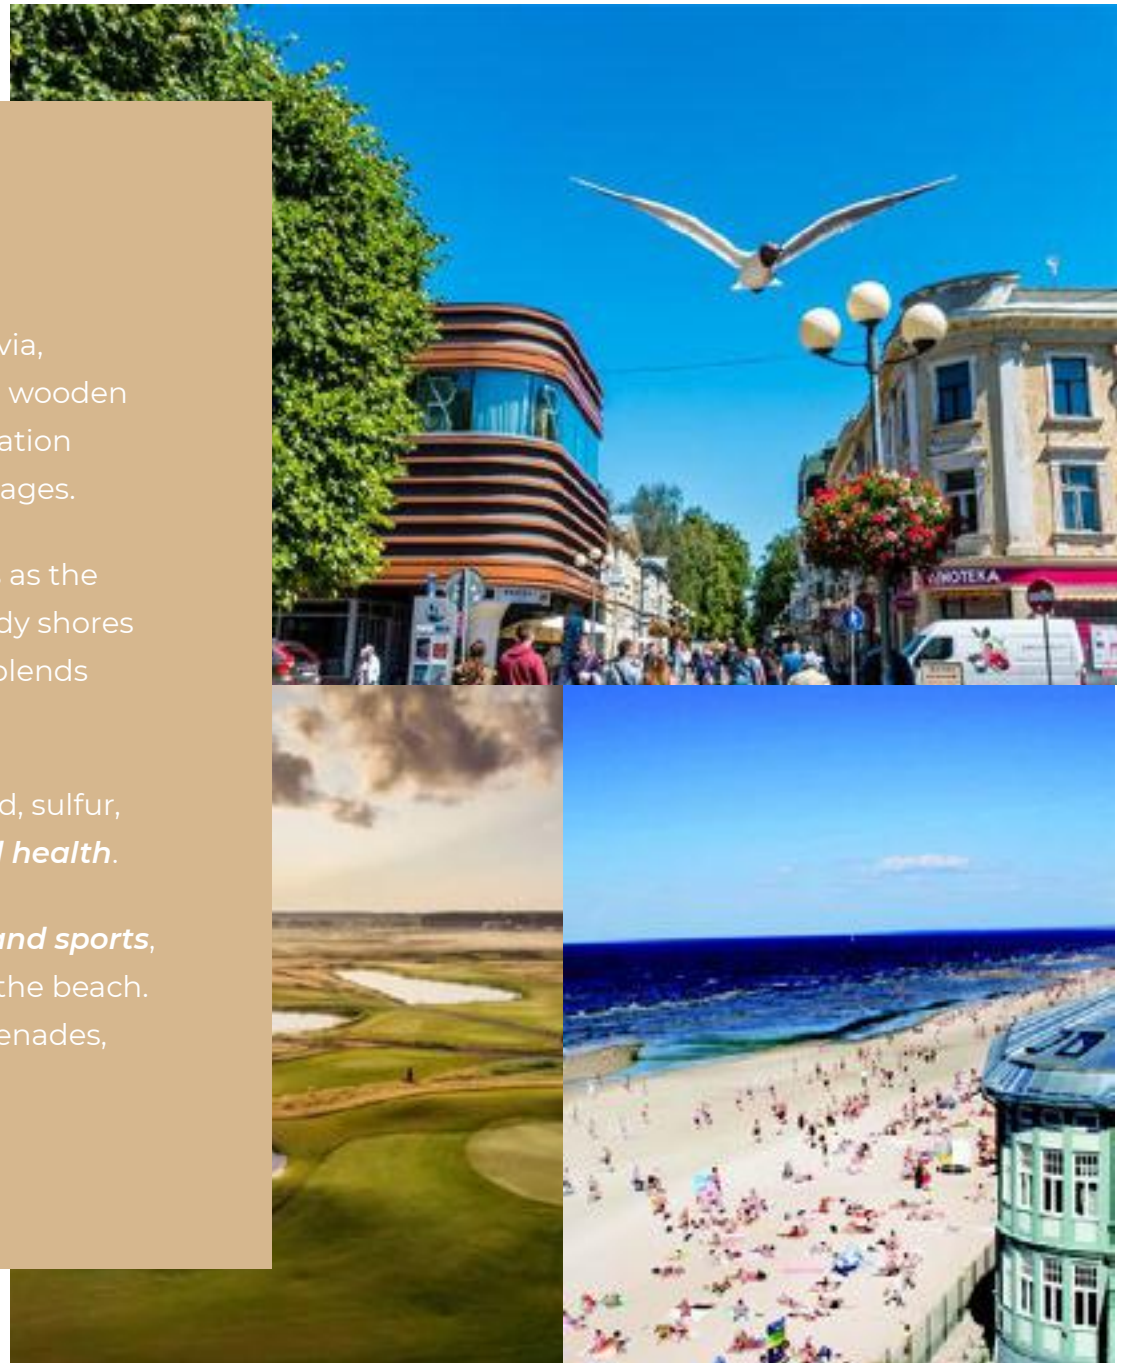

Jūrmala is a resort town located on the Baltic Sea coast of Latvia, known for its **33 km stretch of white sand beach** and historic wooden architecture. Since the 19th century, it has been a popular vacation destination with mineral spas, sanatoriums, and summer cottages.

Just 15 minutes from RIX (Riga International Airport), it stands as the **Baltic Sea's largest resort city**, boasting 24 kilometers of sandy shores and 11 well-kept beaches. Its distinctive wooden architecture blends neoclassical, Art Nouveau, and national romantic styles.

Jurmala offers **unique therapeutic resources** like healing mud, sulfur, bromine, and mineral waters, promoting both **relaxation and health**.

Nature-rich surroundings cater to diverse **outdoor activities and sports**, with a third of the city forested and pine-dotted dunes along the beach. **Cultural delights** abound, including galleries, historical promenades, and concert gardens.

And, of course, don't miss its **stunning sunsets**.

THANK YOU

The Baltic Beach Hotel & SPA *appreciates* the time you took explore our facilities.

We look forward to become a part of your event and provide an *exceptional service experience*.
